

Provide Cardiopulmonary Resuscitation (CPR)

Time for your CPR Refresher?

Provide Cardiopulmonary Resuscitation (CPR) course is a unit of competency which provides the skills and knowledge required to perform CPR (Cardiopulmonary Resuscitation) in line with the Australian Resuscitation Council. The unit is also a component of HLTAID001 Provide First Aid.

Who is this course for?

This course is suitable for anyone in the general public and workers or professionals in healthcare, fitness, education, trade and many more industries.

How often should you refresh?

The Australian Resuscitation Council recommends that CPR is refreshed on an annual basis.

Course Delivery

2 hours of practical class training at Bestwest Care Training Rooms, plus pre-course theory at home.
